Advice

Future Super Asset Management is licenced to provide personal financial advice, however this is not a service that we currently provide to individuals. Personal financial advice takes account of your personal financial situation or needs. You will be provided with a Statement of Advice (SOA) whenever we provide you with any advice which takes into account your objectives, financial situation and needs. The SOA will contain the advice, the basis on which it is given and information about fees, commissions and any associations which may have influenced the provision of the advice.

In the event that we make a recommendation to acquire a particular financial product (other than securities) or offer to issue or arrange the issue of a financial product, we must also provide you with a Product Disclosure Statement (PDS) containing information about the particular product, which will enable you to make an informed decision in relation to the acquisition of that product.

Unless stated otherwise, any advice we provide to members of Grosvenor Pirie funds will only be general product advice, and won't take into account your personal financial situation or needs. You should read the PDS for the Grosvenor Pirie Superannuation product you are interested in before making an investment decision.

Investment Management and Portfolio Administration

Future Super Asset Management provides investment management services for the owners of investment portfolios. This service provides our clients with a tailored investment portfolio that is built for their particular requirements. Our service is offered to wholesale investors only and subject to a separate written agreement ("Investment Management Agreement" or "IMA"). An additional supplementary service includes associated investment administration.

Before our investment management service can be provided, an investor must first enter into an IMA with Future Super Asset Management. This agreement will include an investment program which is prepared in accordance with the requirements in Division 3 of Part 7.7 of the Corporations Act 2001. The IMA will contain the nature and scope of how Future Super Asset Management will manage the account, and Future Super Asset Management will be authorised and required to exercise its discretion on investment selection. The investor must consider risks associated with any investment.

How are we paid for our services

We are the promoter and investment manager for the Grosvenor Pirie funds and receive a fee for each service. We are also the Investment Manager for the Future Super Fund. The promotion fee we receive is equal to the balance of the total fee minus the investment and administration fees and the fund expense and operational risk reserves accrued in the calculation of the unit price. The Investment Management fee is as disclosed in the Product Disclosure Statement for each of the funds.

Fund	Promotion fee
Grosvenor Pirie Super	0.293%
Lindfield Super*	1.297%
Simple Choice Super	0.398%
Cruelty Free Super	0.283%

We will always ensure that the management fees are disclosed in an easy to understand way in the PDS and on our website. The trustee, investment manager and administrator of the Grosvenor Pirie Fund also receive a portion of the management fee.

All of our staff are paid a salary, and none of our staff will receive a commission if you choose to make an investment.

If you have a financial adviser and would like them to receive a commission or advice fee paid from your Super account, the amount of this fee will be negotiated independently between you and your adviser. You should ensure that you always receive a Statement of Advice (SOA) when receiving personal financial advice from a financial adviser. You may inform us at any me if you want to remove any advice fees from your account.

When we offer investment management services for wholesale clients, this is a personalised service tailored to meet the client's specific needs. Our fee for investment management is based on the portfolio size and fees will also include transactional charges. We will provide a fee proposal as part of the IMA.
